**Addendum #1
15-0365**

Wade Stadium Improvements Phase II – Masonry Restoration

This addendum serves to notify all bidders of the following changes to the solicitation documents:

All Bidders submitting a proposal for this project must verify that they meet the minimum criteria of a “responsible contractor” as defined in Minnesota Statute §16C.285, subdivision 3, by submitting a Responsible Contractor Verification and Certification of Compliance form (Attachment A). No construction contract in excess of \$50,000 will be awarded unless the Bidder submits this verification. The owner or officer of the company must sign the form under oath verifying compliance with each of the minimum criteria. Making a false statement under oath will render the Bidder or subcontractor that makes the false statement ineligible to be awarded a construction project and may result in termination of a contract awarded to a Bidder or subcontractor that submits a false statement. Bidders must obtain verification of compliance from all subcontractors. Bidders must submit signed copies of verifications and certifications of compliance from subcontractors at the City’s request.

Please acknowledge receipt of Addendum #1 by signing and dating and send a copy with your bid response. Thank you.
